Rangotsav Celebration®
Organization For National Level Art Competition

Greeting from Rangotsav Celebration!

Dear Sir/Madam,

Rangotsav Celebration is conducting art competition in India since 2012. We are now planning to expand it globally for emphasizing the importance of art and creativity in the minds of schools as well as students.

“There is a great secret behind why the idea of Rangotsav Celebration came to my mind and why it organizes competitions. One incident changed my life which leads to a colourful and energetic journey. I won first prize in an art competition. I was excited. The prize giving ceremony took place 10 days later. Those 10 days my mind and heart were filled with both happiness and excitement and I was very much thrilled. I was constantly wondering what reward I would get, how proud my family would be, and how my friends would react. I still cherish the joy of those 10 days. The Rangotsav Celebration was established with the idea that every child should get this joy and opportunity. Everybody is gifted, but all that is required is a spark. Rangotsav Celebration wants to give that spark to every child.

Every year we provide an opportunity to many child artists from various schools to show their creativity and uniqueness in their art works. I am thankful to every individual who gave me valuable support.”
