THE INDIAN ARTS
2023-24

OUR HISTORY

Since 2012, the Rangotsav Celebration has held art competitions throughout India. In order to emphasise the value of art and creativity in the minds of schools and students, we are now planning to expand it globally.

AIM

The Rangotsav Celebration offers a global platform that uplifts and inspires young people everywhere. Every child was challenged to complete an interesting, novel task that was outside of their comfort zone.

GOAL

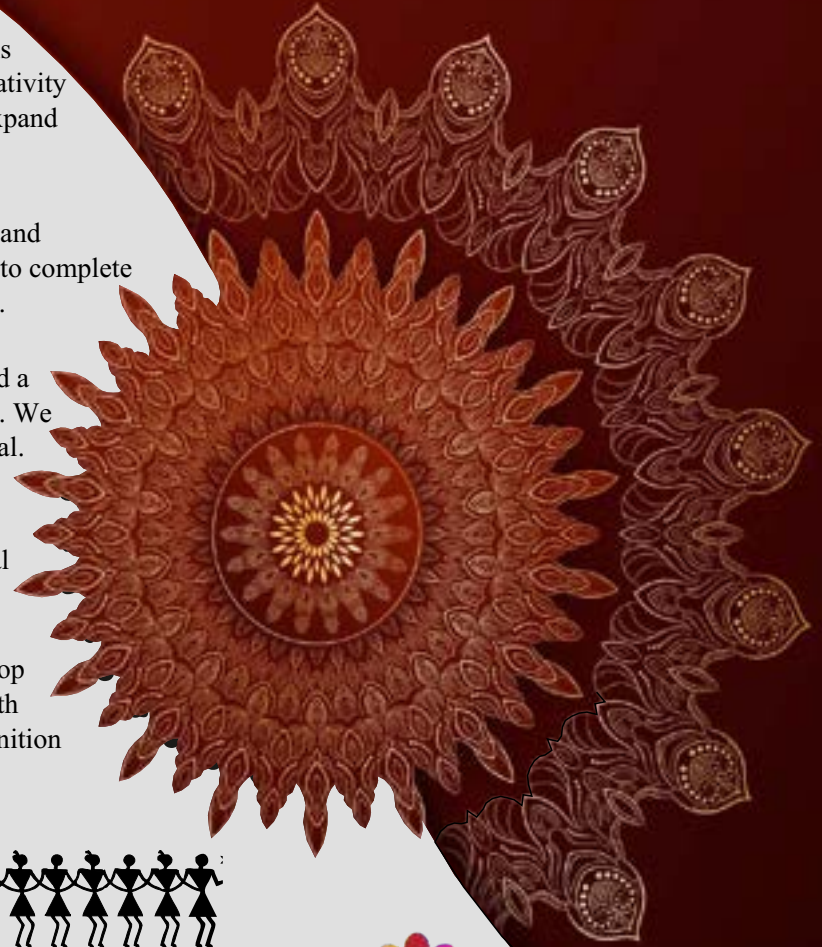

Giving talented up-and-coming artists from all around the world a platform to advance their careers is the goal of this competition. We are cultivating young artists as a step towards achieving this goal.

VISION

To be the most favoured platform for students, where they have the freedom to exhibit their innate skills in a special and original manner.

MISSION

To instil a love of learning art by encouraging students to develop their talents and fostering their creativity by rewarding them with awards and presents. Every kid has a certain talent. Early recognition encourages pupils to succeed and change the world.
