## Greeting from Rangotsav Celebration! Respected Sir/Madam,

Rangotsav Celebration was started in India in 2012 and with due support from schools all over the nation, Rangotsav Celebration is now conducting the art competition globally for emphasizing and spreading the importance of art and creativity in the minds of school students. I would like to thank each and every Principal for granting permission to conduct the competition and similarly every Art teacher/ Teacher/ School Staff for motivating students to participate. I am thankful to you for supporting Rangotsav Celebration for the past twelve years, as this would not have been possible without your valuable support. Since, art reduces the stress and refreshes the mind, we look forward to encourage students to follow their passion and focus on boosting their self- confidence, while being felicitated on the stage. Every year we provide an opportunity to many child artists from various schools to show their creativity and uniqueness in their art works. I cordially invite your school kids to participate in Rangotsav Celebration in all the competitions which are getting more and more modernized. We have an objective of providing a stimulating environment to bring out artistic and creative potential of the students. Thus, we look forward for such happiness of students by way of your participation and make the event a grand success.

#### FREE COMPETITION FOR SCHOOL TEACHERS

The Rangotsav Celebration this year has come up with an interesting idea to involve all school teachers in the competition that primarily involves coloring and sketching. This initiative is intended to provide teachers with a chance to relive their school days and display their artistic abilities in a different environment. It is a unique opportunity for the teachers to showcase their hidden talent and creativity.

The responsibility of ensuring that the teachers make the best use of this opportunity lies on the shoulders of the students, who need to encourage and motivate their teachers to participate and give their best. The teachers' enthusiasm and dedication towards the competition will reflect positively on the school and will help the school stand out.

The Rangotsav Celebration has also announced a surprise gift for the winner teacher. This gesture will further increase the teachers' motivation and interest in the competition. It is an excellent way to recognize and appreciate the teachers' efforts and encourage them to continue participating in similar activities in the future.

For Grade 1st to 4th  Never Give Up	For Grade 5th to 12th A Small Story will Change your life	

No matter what is going on, Never give up

Develop the heart
Too much energy in your country
is spent developing the mind
instead of the heart
Develop the heart

Be compassionate not just to your friends but to everyone Be compassionate

Work for peace in your heart and in the world, Work for peace and I say again

Never give up No matter what is happening No matter what is going on around you

Never give up... The Dalai Lama

A boy and Girl were playing together, The boy had a collection of marbles. The girl had some sweets with her.

The boy told the girl that he will give her all his marbles in exchange of her sweets. The girl agreed.

The boy kept the biggest and the most beautiful marbl aside & gave the rest to the girl. The Girl gave him all her sweets as she had promised.

That night, the girl slept peacefully. But the boy couldn't sleep as he kept wondering if the girl had hidden some sweets from him the way he had hidden his best marble.

Morel of the story: If you dont's give hundred percent in a relationship, you'll always keep doubting in any relationship. so give your hundred percent.
